Subject: Revised HPV Submission for the Mononitrile Category

Dear Sir or Madam:

We are resubmitting a revised version of the mononitrile category hpv robust summary/test plan that was previously submitted to EPA on December 2, 2002. Please note the changes made were to the coverletter and to the first page of the document. These included incorporation of the CAS numbers for the cis and trans isomers of 2-pentenitrile (they were previously only listed in the appropriate appendix). No other changes have been made to the document. Please replace the Mononitrile category documents currently posted on your web site with these revised versions. If you have any questions, please let me know.

With Best Regards,

Edwin L. Mongan
Manager, Environmental Stewardship

Attn: Chemical Right-to-Know Program – Revised HPV Test Plan Submission – Mononitriles Category

Dear Administrator Whitman,

E. I. du Pont de Nemours & Company, Inc. submitted a proposed test plan along with the robust summary for the Mononitriles chemical category on November 12, 2002. We are resubmitting the cover letter, test plan and robust summary for this category with revisions to indicate that the cis- and trans- isomers of 2-Pentenitrile are included in this submittal. Mononitriles included in this group are 2-Methyl-3-butenitrile (CAS# 16529-56-9), 2-Pentenitrile (CAS# 13284-42-9), cis-2-Pentenitrile (CAS# 25899-50-7), trans-2-Pentenitrile (CAS# 26294-98-4), 3-Pentenitrile (CAS # 4635-87-4) and 4-Pentenitrile (CAS# 592-51-8). DuPont understands there will be a 120-day review period for the test plan and that all comments received by the EPA will be forwarded to us for consideration.

This submission includes one electronic copy in .pdf format and an electronic copy of the cover letter in Word format. Please replace the previously submitted copy of the cover letter, test plan and robust data summary with this revised version.

Please feel free to contact me with any questions or concerns you may have with regards to this revised submission at Edwin.L.Mongan-1@usa.dupont.com.

Sincerely,

Edwin L. Mongan, III
